13D Activist Fund
EXPENSE EXAMPLES (Unaudited)
March 31, 2019

As a shareholder of the 13D Activist Fund (the “Fund”), you incur two types of costs: (1) transaction costs, including sales charges (loads) on purchases of Class A shares and contingent deferred sales charges on certain sales of Class A and Class C shares; (2) ongoing costs, including management fees; distribution and/or service (12b-1) fees. This example is intended to help you understand your ongoing costs (in dollars) of investing in the Fund and to compare these costs with the ongoing costs of investing in other mutual funds.

The example is based on an investment of \$1,000 invested at the beginning of the period and held for the entire period presented below.

Actual Expenses

The “Actual” lines in the table below provide information about actual account values and actual expenses. You may use the information below, together with the amount you invested, to estimate the expenses that you paid over the period. Simply divide your account value by \$1,000 (for example, an \$8,600 account value divided by \$1,000 = 8.6), then multiply the result by the number in the table under the heading entitled “Expenses Paid During Period” to estimate the expenses you paid on your account during this period.

Hypothetical Example for Comparison Purposes

The “Hypothetical” lines in the table below provide information about hypothetical account values and hypothetical expenses based on the Fund’s actual expense ratio and an assumed rate of return of 5% per year before expenses, which is not the Fund’s actual return. The hypothetical account values and expenses may not be used to estimate the actual ending account balances or expenses you paid for the period. You may use this information to compare this 5% hypothetical example with the 5% hypothetical examples that appear in the shareholder reports of other funds.

Please note that the expenses shown in the table are meant to highlight your ongoing costs only and do not reflect any transactional costs, such as sales charges (loads), or redemption fees. Therefore, the table is useful in comparing ongoing costs only, and will not help you determine the relative total costs of owning different funds. In addition, if these transactional costs were included, your costs would have been higher.

Actual	Beginning Account Value 10/1/18	Ending Account Value 3/31/19	Expenses Paid During Period 10/1/18 – 3/31/19*	Fund’s Annualized Expense Ratio
Class A	\$1,000.00	\$ 959.70	\$ 8.55	1.75%
Class C	\$1,000.00	\$ 956.10	\$ 12.19	2.50%
Class I	\$1,000.00	\$ 960.90	\$ 7.33	1.50%

Hypothetical (5% return before expenses)	Beginning Account Value 10/1/18	Ending Account Value 3/31/19	Expenses Paid During Period 10/1/18 – 3/31/19*	Fund’s Annualized Expense Ratio
Class A	\$1,000.00	\$ 1,016.21	\$ 8.80	1.75%
Class C	\$1,000.00	\$ 1,012.47	\$ 12.54	2.50%
Class I	\$1,000.00	\$ 1,017.45	\$ 7.54	1.50%

*Expenses are equal to the average account value over the period, multiplied by the Fund’s annualized expense ratio, multiplied by the number of days in the period (182) divided by the number of days in the fiscal year (365).

PRIVACY NOTICE

NORTHERN LIGHTS FUND TRUST

Rev. February 2014

FACTS

WHAT DOES NORTHERN LIGHTS FUND TRUST DO WITH YOUR PERSONAL INFORMATION?

Why?

Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some, but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.

What?

The types of personal information we collect and share depends on the product or service that you have with us. This information can include:

- Social Security number and wire transfer instructions
- account transactions and transaction history
- investment experience and purchase history

When you are *no longer* our customer, we continue to share your information as described in this notice.

How?

All financial companies need to share customers' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers' personal information; the reasons Northern Lights Fund Trust chooses to share; and whether you can limit this sharing.

Reasons we can share your personal information:	Does Northern Lights Fund Trust share information?	Can you limit this sharing?
For our everyday business purposes - such as to process your transactions, maintain your account(s), respond to court orders and legal investigations, or report to credit bureaus.	YES	NO
